**ORDER DISMISSING MOTIONS
PENDING THE STAY**

Re: Dkt. Nos. 179, 189

12
13 On February 2, 2015, the Court granted Ariosa's third motion to stay. Docket No. 229. In
14 its order, the Court deferred ruling on Ariosa's motions for leave to amend its invalidity
15 contentions, and for leave to file a third amended answer and counterclaims during the pendency
16 of the stay. Docket Nos. 179, 189. The Court now DISMISSES these motions, without prejudice
17 to refile upon the stay being lifted.
